>BIO

Born in Boston and raised in Westborough Massachusetts, I attended University in my mother's home country of Bolivia, where I majored in Graphic Design and learned to speak Spanish. In the summer of 2017, I returned to the US ready to take on new career challenges.

>EXPERIENCE

HEARTS AND HOMES FOR REFUGEES

VOLUNTEER WEB DESIGN / FRONT-END

I am currently volunteering for Hearts and Homes for Refugees, a nonprofit grassroots humanitarian organization that welcomes, assists, and advocates for refugees. I am offering my skills in UX/UI and visual design for their current website. I will also be taking charge of coding HTML/CSS and Javascript for the Front-End of their website.

May 2019 - Present | NEW YORK

LORELLI NYC

FREELANCE GRAPHIC DESIGNER

During this temporary position I was tasked with various production tasks including, creating and reformatting E-blasts, creating flyers, and editing digital tour books.

Jan 2019 - Mar 2019 | NEW YORK

WILLIAM MOSES CO.

LISTINGS PHOTOGRAPHER & WEBMASTER

WAM Partners is a property management firm specializing in luxury residences in New York City. As the Listings Manager, I was tasked with taking photographs for all the listings. I also maintained the company website/online presence and was in charge of designing and executing email marketing campaigns.

Jul 2017 - Aug 2018 | NEW YORK

GOBIERNO AUTONOMO DE LA PAZ

DIGITAL DESIGNER

Developed infographics, social media posts, banners and other visual material for a digital water conservation campaign.

Nov 2016 - Jan 2017 | BOLIVIA

INDOMITA

GRAPHIC DESIGN INTERN

During my Internship I was tasked with a wide range of duties including editing HTML/CSS templates, creating wire frames, designing posts for social media, and designing banners for the La Paz Bus public transportation system.

Oct 2013 - Mar 2014 | BOLIVIA
